Inside the January 2007 Edition:

time is on their side

Haven't had time to make a New Year's resolution? Here's one: How about making the most of your time? Better yet, how about making others make the most of your time?

Whether it's standing in line for you at the Motor Vehicles Bureau or picking up theater tickets at the half-price TKTS booth—or even organizing your closets. **RequestWorks** (212/699-1927) charges \$40 an hour. Now, if only we could find someone to go to the dentist for us.
